TO: Florida Law Enforcement Agencies

FROM: Dana Reiding, Chief

SUBJECT: Law Enforcement Short Form Report

To better serve law enforcement needs, the Department intends to print a revised “optional” Short Form/Driver Report/Driver Exchange of Information. This revised optional (more user friendly) Short Form Crash Report will have carbonless copies and be identified with the form number HSMV 90011S.

Until the revised “optional” Short Form/Driver Report/Driver Exchange (HSMV 90011S) is printed and available law enforcement agencies can use the old Short Form (HSMV 90006) as a Short Form, Driver Report, or Driver Exchange of Information. Again: Short Form HSMV 90006 can be used in place of HSMV 90010S as a Short Form crash report if an agency so chooses until further notice. This reverses earlier memos stating that after January 1, Short Form HSMV 90006 could only be used as a Driver Exchange of Information.

When available, this revised “optional” Short Form will not replace HSMV 90010S that went into service January 1, but provide a secondary choice depending on the agency’s needs.

Law enforcement agencies can request additional Short Form/Driver Report/Driver Exchange of Information (HSMV 90006) forms by contacting us at 850-617-2589 or at courtassist@flhsmv.gov These will be available until inventory is depleted or the revised HSMV 90011S becomes available.

If you have any questions please contact Tom Austin at (850) 617-3275/

Thanks you for your cooperation as we continue this transition.
